Kenneth B. Colquette

Dedication 1986 Issue

One man who is etched deeply into our minds and memories is Mr. Ken Colquette. He has been active in several different educational areas for many years. His activities cover an area ranging from coaching the football team to teaching driver's education. For his years of service and his wide span of talents, the 1986 yearbook staff would like to dedicate to him, this year's Warrior.

Reflections of Summer

Rest, relaxation, swimming, fun, but most of all — no school!!! Yes, I'm speaking of SUMMER!! Everyone longs for it, everyone loves it, and it's almost here. There are special times in the summer fun with your friends. Going to the ballpark, swimming, a summer job, or just simply lying in the sun and enjoying yourself is all a part of summer, and we all love it. You never forget those special summer times, or those vacation romances that last for a week. The only bad thing about summer is when the end comes. Because we all know what lies ahead — school again.

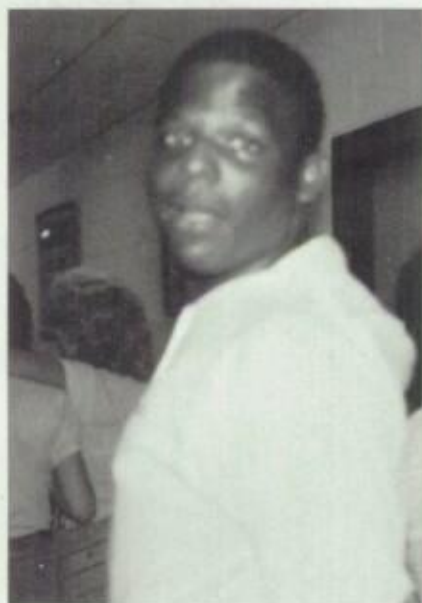

OPENING DAY

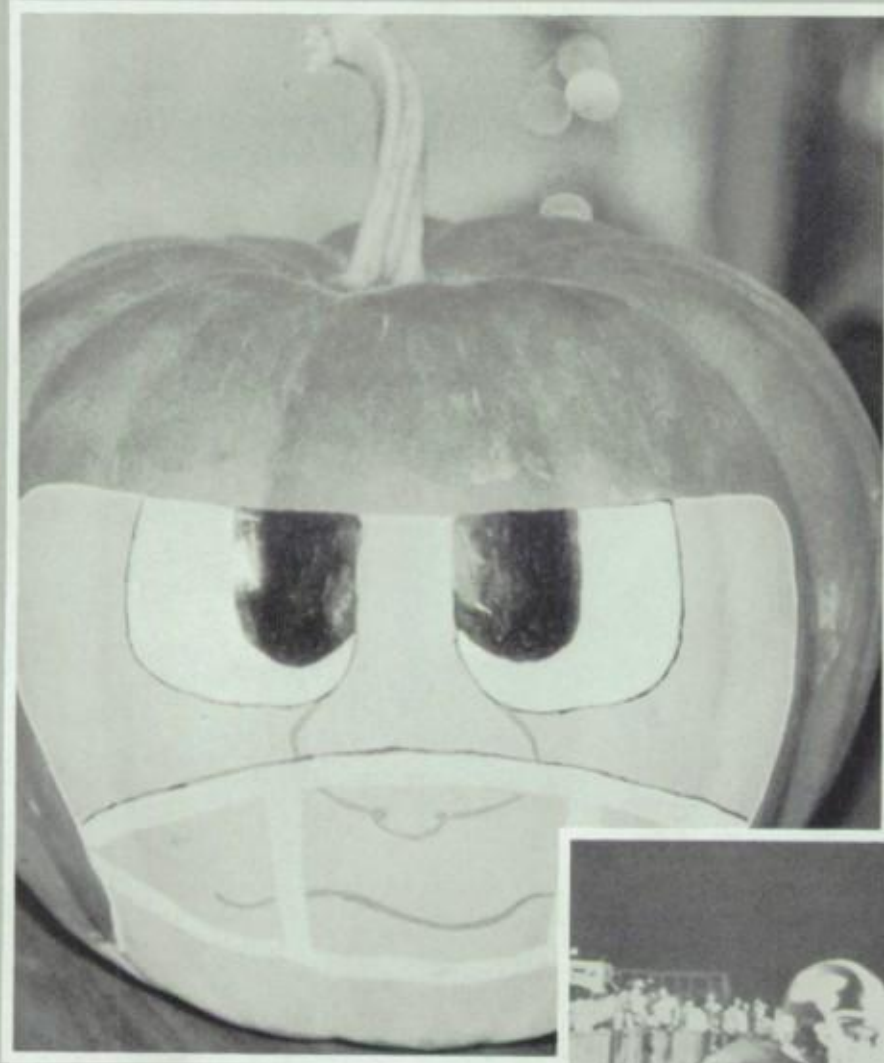

Bells ring, lockers slam, and people run frantically to class. Friends call to each other, and Freshmen stumble around in a daze trying to find their rooms. Seniors strut around and congratulate each other for just being there. Teachers silently pray for strength to get through another year without causing too many students great bodily harm.

The first day of school — Seniors revel in it, and Freshmen anticipate it with uncertainty. Sophomores and Juniors simply accept it as routine and wait for their year.

The first day of school gives each person many different feelings, but one is common in all of them — pride. At M.C.H.S. pride is a very big part of school life, and each year it grows stronger.

The 1985 Marion County High School football squad was once again the pride of Jasper, Tennessee this season. An 11-2 season ain't half bad, boys! The season started off with a bang as they knocked off South Pittsburg as usual. From then on, they conquered one team right after another. They were stopped only twice, once by the dreaded Marshall County, and at last by Austin East in the quarter-finals. The seniors showed great leadership ability, and the fantastic record tells the story. There were a whopping 20 seniors this year. The juniors will have some mighty big footsteps to follow. The fans were once again very supportive. They followed the boys all the way from Whitwell to Knoxville, not to mention the support at the home games. We had a great season. Strive even harder for that championship next year, boys! We'll be right behind you all the way!

Football '85

Football Cheerleaders

Jerri Quarles, Mindy Webb, Becky Barnett, Missy Miller, Nicole Haynes, Mary Lynn Sartain, Missy Gouger, Sharon Willis, Steve Rogers, Michelle Saylors

The Marion County High School cheerleaders certainly made the 1985-86 season a memorable year. Their tireless effort all summer and past the football season had its rewards. They won the S.V.C.C. competition in Dunlap, placed second at the Knoxville Fair and received three out of four first place trophies at Eastgate Mall.

They were honored to be named one of the top five squads (out of seventy) at U.T. Martin. They also won six superior ribbons and brought home the spirit stick. This squad has definitely proven that they are one of the best.

Reflections of People

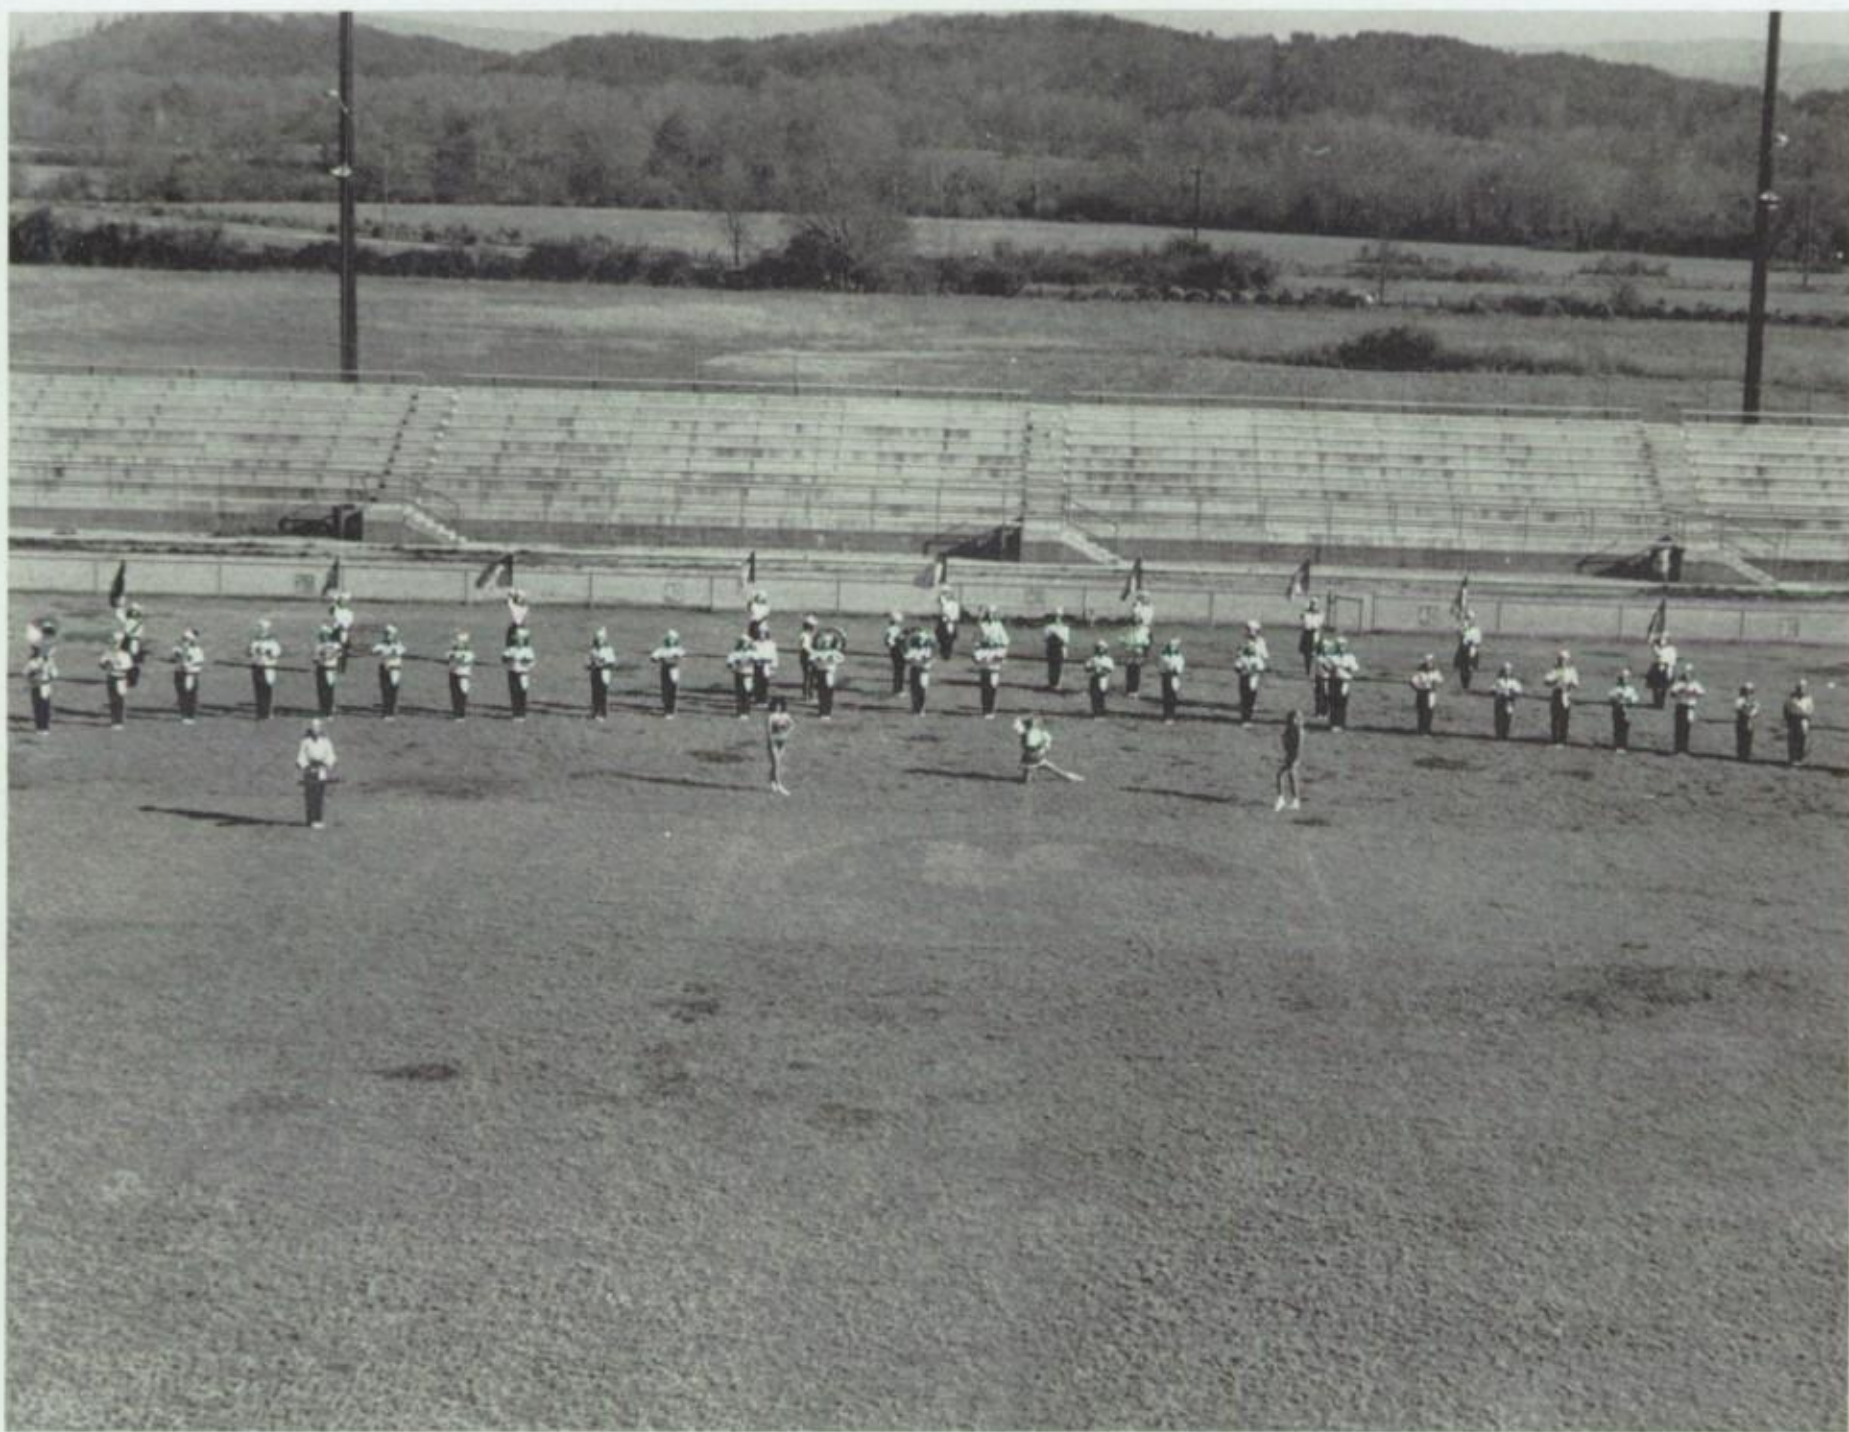

Imagine life without people. Empty. Meaningless. People are what we live for. We're nothing without our friends. School would be tedious and boring without our friends to help pass the time. People are our most prized possessions. You can never replace the way a special person makes you feel, the joy of the memories that particular person surfaces, or that special way they smile that can make you forget all your problems.

What fun could being the only person on earth be? Not much. There would be nobody to share your dreams with and tell when you reach your goal. People are what make other people function and want to achieve.

Without people every day would be rainy and gray. Life's empty without people. They brighten our days.

Marion County

Pride of the Valley Band

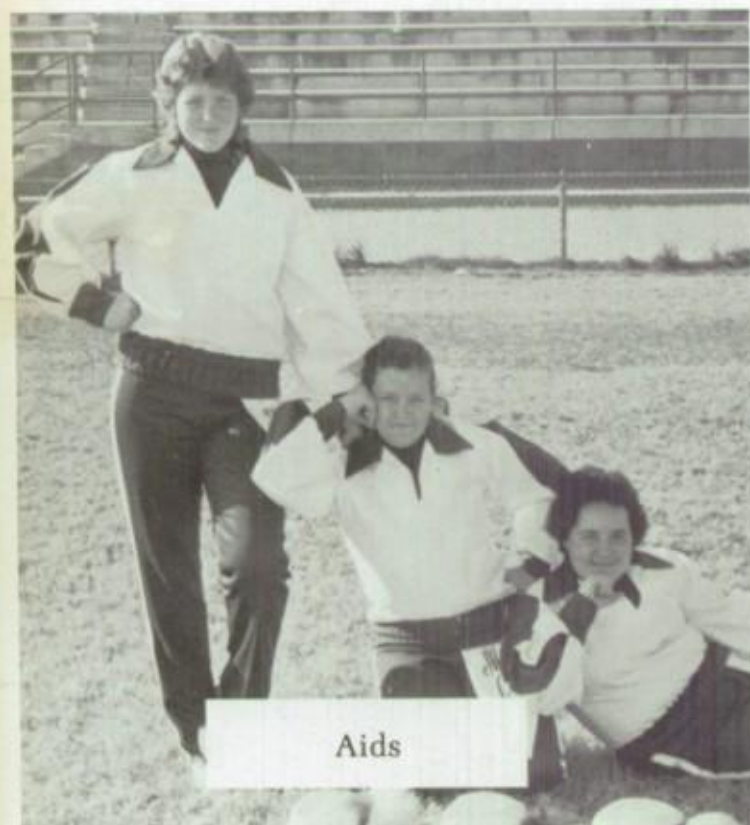

Seniors

The Marion County Pride of the Valley Band has been around for a long time, and each year they seem to improve and excel. Even so, people still seem to take the band for granted. Unknown to most, many long hours are spent on the practice field, counting steps, straightening lines and perfecting music and routines. Just ask any band member and they'll tell you that it's not all Friday night half-time performances. They spend two long, hard weeks working on the show from 8:00 to 3:00. Marching in 85 degree heat and carrying a tuba or twirling a flag isn't all fun, but the members keep on working, (occasionally struggling) to give the best performance possible. The band is there to help lift our spirit at pep rallies and ball games. They give our school a little something extra by performing in the rain, snow, mud, and every once in awhile, a losing game. With their individual style and sound they give MCHS yet another reason to be proud. Ask any band member and they'll tell you the work, sweat, blisters, and frustrations are worth the roar of the applause.

1985-86 has been an extremely progressive year for the MCHS Band. The level of musicianship is steadily increasing, producing a more mature, total approach to band. Students have participated in clinics outside the area and have gained a broader look as to what a band is supposed to be. The marching band made great strides by competing with bands twice its size and bands from schools twice the size of Marion County. They did quite well, by the way, Band is an ongoing process that is extremely slow and tedious. Many hours are spent working on aspects that do not produce immediate results. It takes patience and dedication to be a band member. Congratulations to the 1985-86 "Pride of the Valley" Band for having the patience and dedication it takes to succeed.

Having progressed from the familiar surroundings of the Jasper Middle School, approximately 162 new faces embarked on a new adventure . . . the 85-86 school year at Marion County High School. These new faces were eager and enthusiastic from day one. They were confronted with unfamiliar hallways, new teachers, and upperclassmen bullies, as always. The freshmen were nervous, but they have succeeded in their undertakings and handled the job as freshmen very well. Congratulations to all of you freshmen who survived the 1985-86 school year!!

It seems every school year goes by fast and this year was no exception. This year was an excellent year. Our class's spirit and unity were always there. Our class athletes had a mature way in handling our victories as well as our losses.

Each one of you have some great qualities. If you keep showing and sharing your qualities and our class works together in spirit, unity, and determination we will be "top notch." The class of '88 is truly one excellent class. Keep it up and our Junior and Senior years will be even better. Let's all strive to be the best class Marion County High School has ever seen!

The junior year is definitely one that will always be remembered. How could you ever forget the excitement that you felt when you got your class ring? It's a symbol of what you have achieved all through your school years. The junior year is also a turning point. It makes you realize that your high school years are drawing to a close. You also shed the title of an "underclassman" and become a long-awaited "upperclassman." It's definitely a year of turning points that bring a sense of maturity and excitement. And just think next year will be a whole new adventure

Marion County started something new this year — volleyball. The girls had a wonderful season, especially with it being their first year. They played several of the surrounding schools, such as follows: Lookout Valley, Whitwell, South Pittsburg, and City High School. They were coached by Golda Elliott and Nick Morken who showed much interest in the beginning of volleyball at MCHS. They did a great job with a record of 16-2. The girls fell to East Ridge in the District Tournament.

Annual Staff

Chris Thomas, Matt Tate, Johnny Holder, Dump Fuller, Char Barnett, Becky Barnett, Karen Pesnell, Misty Daffon, Kim Kennedy, Cheryl Campbell, Kayla Kilgore.

Char Barnett, editor; Karen Pesnell, editor.

The 1985-86 yearbook staff had a hard act to follow after last year's yearbook. The fact that we were under new advisement had a lot of bearing, but we all worked together and pulled it off once again. We'd like to take this time to thank Mrs. Koger and Mrs. Jackson for the help and support they have given us this past year. Putting an annual together takes much more work and effort than anyone could ever imagine. You can only know what it's like if you've been through it yourself.

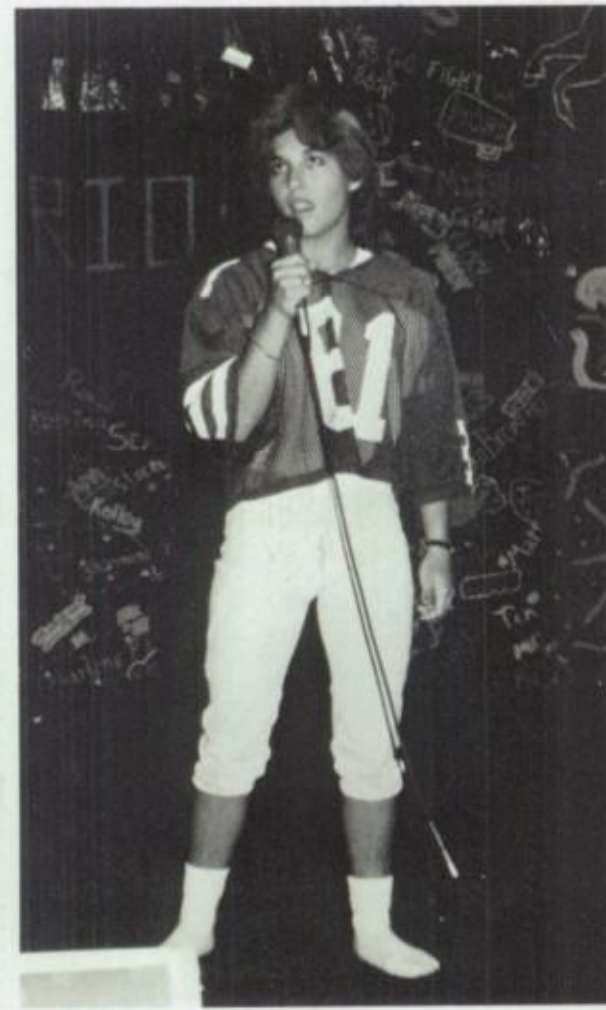

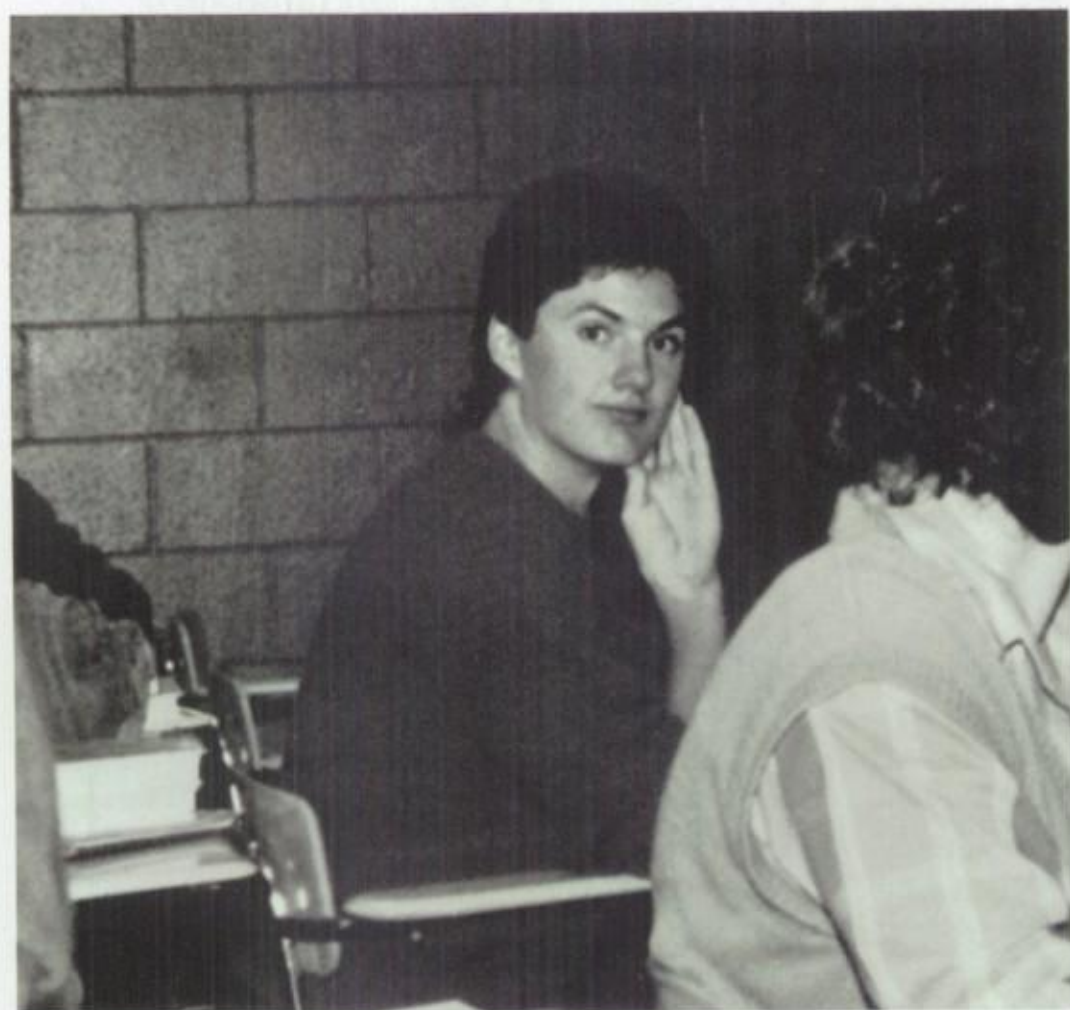

Co-editors: Karen Pesnell and Char Barnett

Student Council

Sitting: Cheryl Campbell, Melissa Brackett, Becky Barnett, Donna Bowman, Patty Willis, Lynn Floyd, Kathy Reed, Dwight Massengale; Standing: Ken Hutchins, Johnny Calhoun, Daniel Carter, Benny Foshee, Dump Fuller, Karen Pesnell, Paula Carter, Jerri Quarles.

Student Council

Left to Right: Ann James — Sponsor, Dump Fuller — Treasurer, Paula Carter — Secretary, Jerri Quarles — Vice-president, Karen Pesnell — President, Becky Barnett — Reporter, Melissa Brackett — Sgt.-at-Arms, Johnny Calhoun — Sgt.-at-Arms, Myrtle Kelly — Sponsor.

Front Row: Nicole Haynes, Parliamentarian; Misty Daffron, Secretary; Lisa Fults, Vice-President; Mrs. Kelly, Advisor; Missy Gouger, President; Cherie Reeves, Treasurer; Kathy Reed, Reporter; Back Row: Mack Phillips, Sgt. at Arms; Alan Payne, Sgt. at Arms

The 1985-86 Beta Club certainly had a very active year. Early in the year they welcomed the new members to the club in an initiation ceremony and reception at the First Baptist Church. At Christmas they held their annual canned food drive to help needy families in the Jasper area. They honored the MCHS teachers on Teacher Appreciation Day with a luncheon. They had several bake sales to raise money for Awards Day and for the Beta Club Scholarship, which goes to a deserving senior Beta member. In April, they, along with the Student Council, held a reception to welcome Governor Dunn to MCHS. They would like to thank Mrs. Kelly for all the time and work she has put into the club.

The Marion Co. Warriors basketball team can be very proud. They have accomplished much this year through their hard work and dedication. They have finished 2nd in the SVC tournament, and 2nd in the regional tournament. They lost to York in the finals of the regionals and lost to Meigs Co. in the sub-state. They have done more this year than many people expected because they believed in themselves.

The 1985-86 school year brought something new to basketball. Along with a new coach, there was also a new cheerleading squad. They attended cheerleading camp at the University of Tennessee at Martin. They received two excellent and two superior ribbons in addition to winning the coveted spirit sticks. At the ICF regional competition they placed second. This squad has worked very hard throughout the summer and the school year. They appreciate those who have helped to make their first year a success.

The Dire Frustration of Being Car-less

"Can't you take me home, Johnny? I don't wanna ride the bus. After all, I am in high school now," Freddy Freshman said.

"I told you I have to pick up my cousin from dancing class. Leave me alone," Johnny Junior stated.

On the first day of school it began; as the juniors and seniors glided into the new parking lot and situated their shiny (and not so shiny) cars, the freshmen and sophomores sheepishly lumbered out of their mother's Buick Regals, or worse yet, the school bus.

Sophomores felt that riding the bus gave them an unpopular image and made them feel like little kids.

Seniors said that the attitude of the underclassmen sometimes prevented them from taking an underclassman home. Sometimes, a freshman or sophomore will act crazy since they are being seen with a senior, which is important to them.

"On Mondays, I never take people home, but as it gets closer to Friday, I will occasionally take a freshman home to earn my brownie points," one senior stated.

The sight of hundreds of freshmen standing outside waiting for the bus or for their parents after the final afternoon bell triggered sympathy in some, exasperation in others.

But some who did not have a sport's practice or a sibling to haul around said they did not mind giving the car-less a lift.

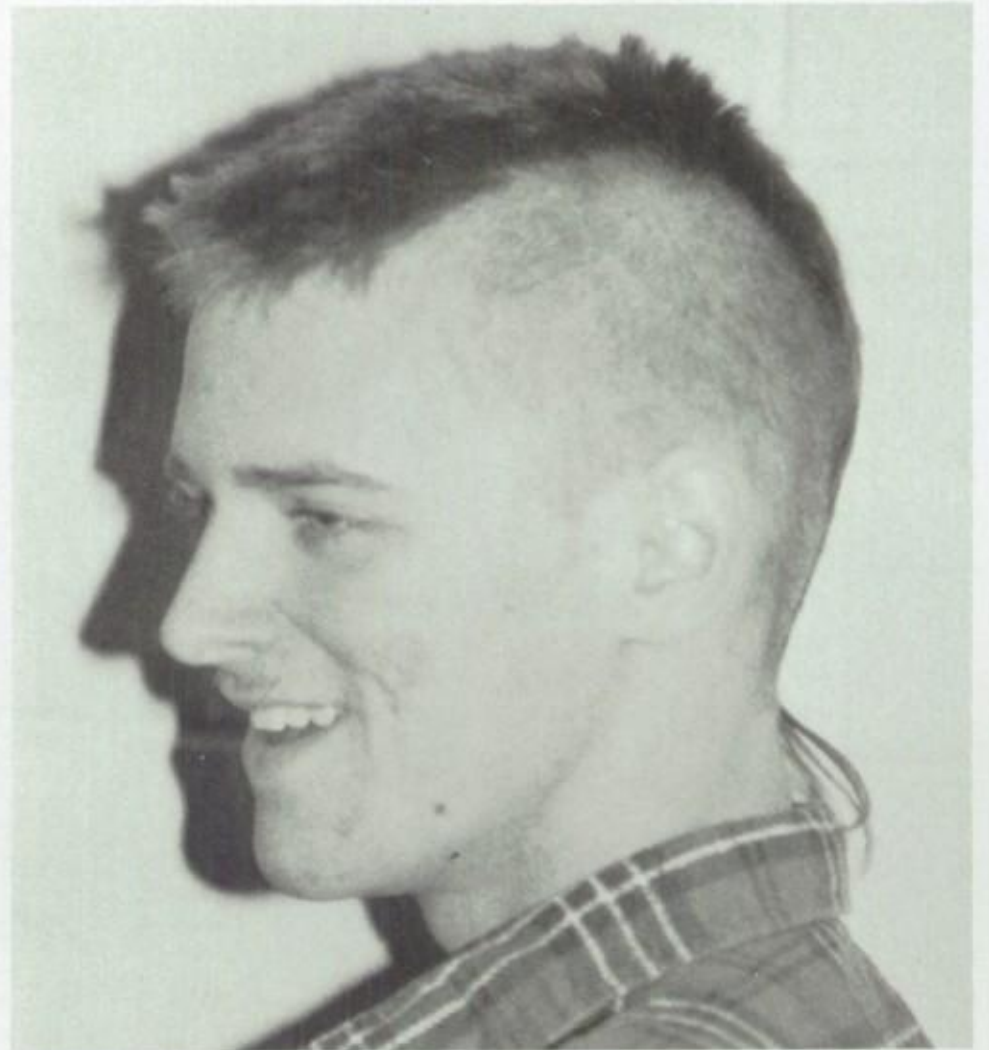

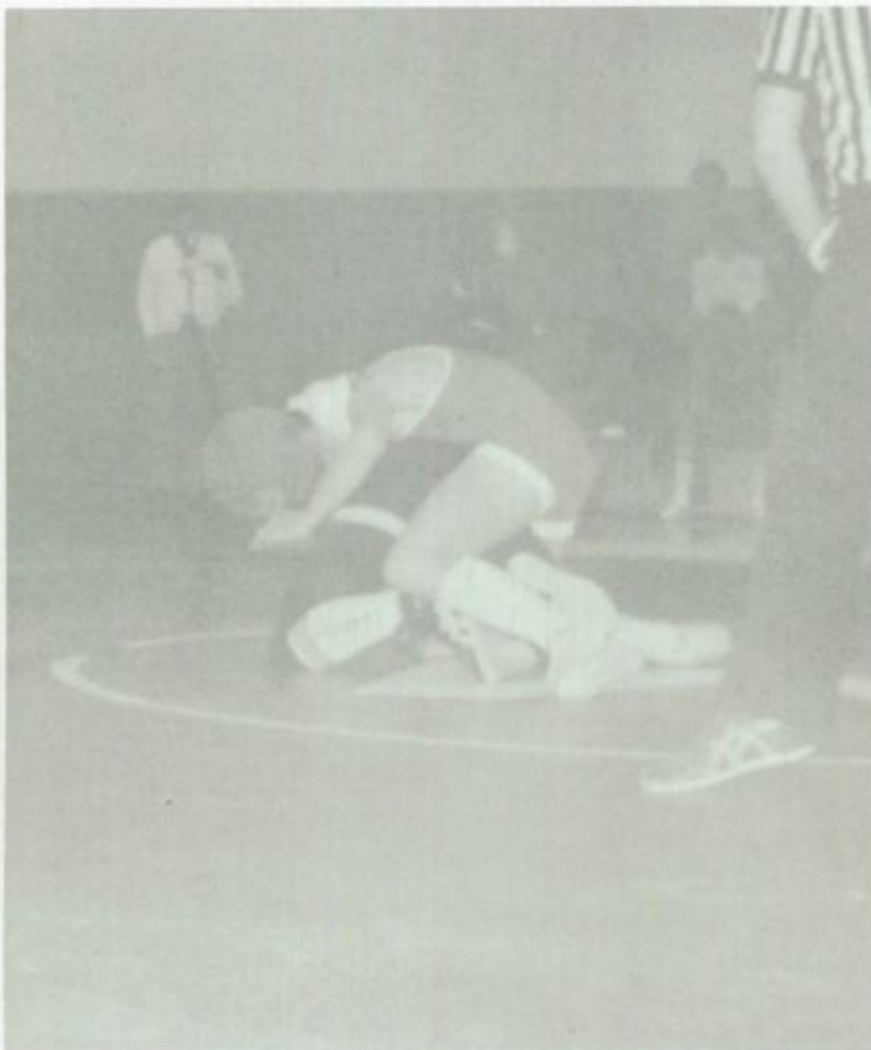

So remember, when you were always grateful when you got a ride home. Please take the underclassmen home when you can!

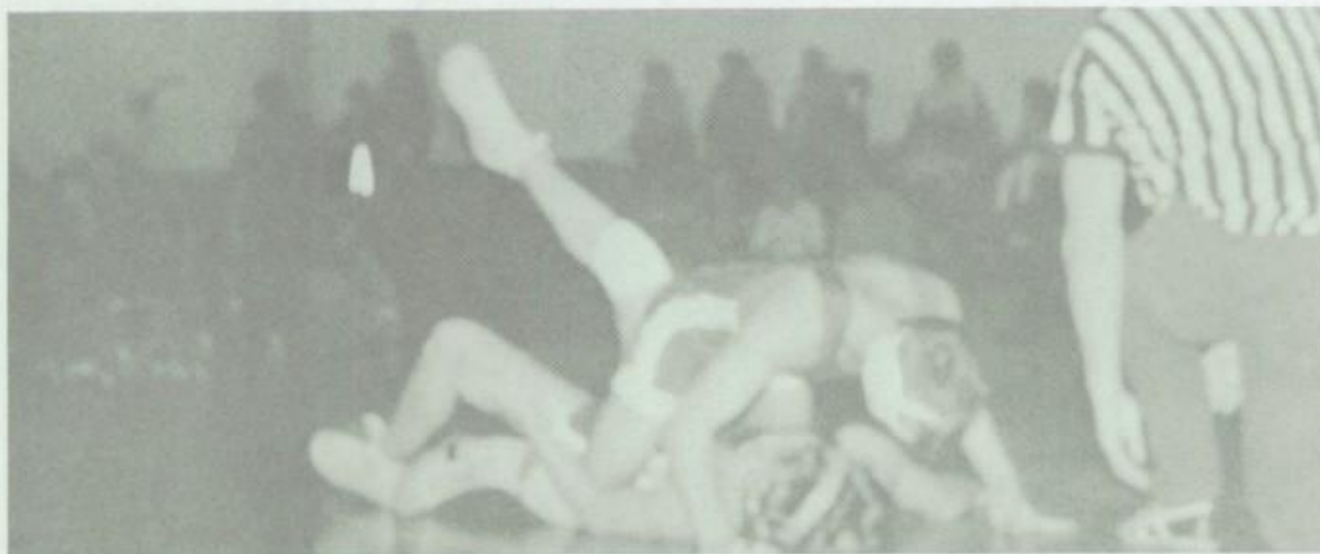

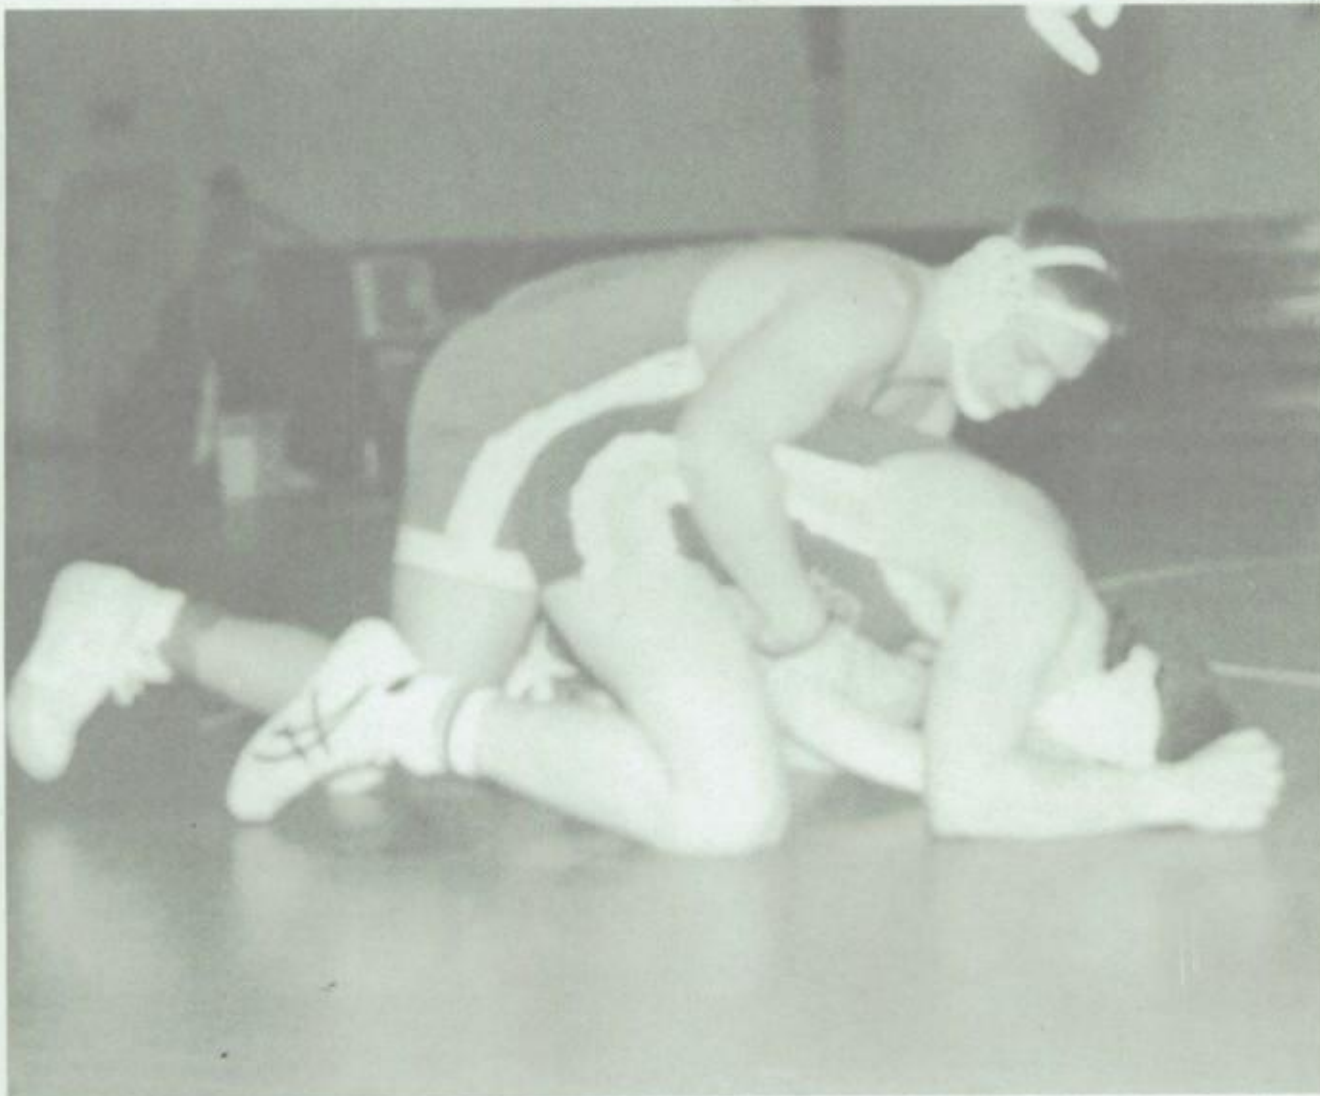

Reflections on the Mat

Standing: Coach Jerry Tate, James Kennedy, Jimmy Foster, Sean Adkins, Scott Elliot, Pat Carmody, Eddie Calhoun, Reggie Barrett, Mgr. — Sherry Kennedy; Kneeling: Greg Hill, Gregg Hill, Berry Freley, Robbie Barnett, Lavon Howard, Chris McGrew, Eddie Alred

The wrestling season was filled with much success and many accomplishments, not only off the field, but on as well. Many skills and lessons were learned as a result of hard work and dedication. Many thanks go out to all the boys for their cooperation and willingness to learn.

From Left to Right: Thomas Gholston, Kellye Hudson, Christy Wooten, and Aundra Griffith

Teachers relive
 the good old days of . . .
 High School?

Imagine Mrs. Bumpus as Homecoming Queen? Or maybe Mrs. Koger cruising "Babes?"

Better yet, Mrs. Sally sparking on her front porch in Mineral Springs?

How about Mrs. Kaydean Smith and Mrs. Elliott in those cute cheerleader outfits?

Once, as difficult as it may be to believe, teachers were students. In the role of students, teachers' behavior back in the "good old days" wasn't much different than now. For each teacher, his high school days will forever be a part of his life.

The day of the game, tension was felt in the air. By the end of sixth period, the players could barely contain their enthusiasm. After the 3:00 bell, they rushed to change into their uniforms. Then they hurried to the field to warm up. When the long awaited moment arrived, the team began the game determined to win. After hard and fair play, their efforts were rewarded, if not with a win, at least with the knowledge that they did their best. Then, rushed back to the locker room, hurriedly showering and dressed, they happily got back into their cars and minutes later, they were "safe at home."

Coach Stewart

Marion County's girls softball team was not high on winning. However, the team did as well as they could considering how inexperienced they were. They built on younger talent and played well as a team. There were also a few individuals who really stood out. Skilled athletes like Ann Massengale and Candee Rash quickly became the leaders of the ball club. They helped to pull the team through when the going got tough.

Kevin Goes to West Point

The student body and faculty were very proud of Kevin Clark as he was selected for entrance into the United States Military Academy. His admission to West Point was gained through a unique system of nomination, qualification, and selection. Scholarship, citizenship, and physical attributes played an important part in selecting Kevin for this prestigious honor.

Sr. Year at Marion County High

It's not so much the happy moments,
the laughter and the cheer.
But it's how my friends and I
spent our outrageous Sr. Year.
As we hold on to the moments
every second of the day
We remember all the good things
that people do and say.
Sure, we hated MacBeth: and American
History, too!
But we always had each other and
things to get into.
Yes, it's almost over, it
makes we want to cry,
I'll remember the good times always
at Marion County High!

By: Liz Awafford

Senior Directory

Janet Renee Abercrombie
Parents: Patricia Belk
Clubs: FHA 2, 4
Honors: Geography Award 1, Lion's Club Award 2, 3
Future Plans: Attend college and major in Accounting.

Future Plans: Attend MTSU and have a successful career in business.

Reflections of the Good Times

The Sugar Bowl, wild and crazy teachers, football stars, and cut-ups. Good times always came to us in different ways. Sometimes we were energetic, and we wanted action. Sometimes we were tired, and we chose to rest. Sometimes we were mean, and we looked for trouble. Sometimes we were nostalgic, and we sought solitude. Regardless of our moods, we made our own fun.

1986 Prom King and Queen

Darrell Layne and Becky Bragg
